woodturning - fine bowls

level: intermediate

duration: 1 days

cost: £90

course introduction

This being a one day intermediate course, allowing you not only to develop your bowl making skills, but with the added bonus of learning how to turn delicate thin walled bowls.

The aim, with step by step guidance, is to be able with confidence to turn artistic thin bowls with a wall thickness of 2-3mm. We will show you how to achieve this allowing you to further these skills in your own workshop.

what you will learn

How to select, prepare and mount materials that are suitable for the project,

Use of the lathe and speeds which allow for safe cutting of the materials,

Methods of fixing and holding of work piece from face plate to chuck,

The sharpening and use of tools to achieve the cleanest finish,

How to sand and polish the completed bowl.

All of these techniques are aimed at producing a bowl with artistic and visual impact.

additional notes

All materials for set projects are included in the cost, as is tea/coffee and a light lunch.

There is no upper age limit for students, however the minimum age is 14 years old and anyone under 16 must be accompanied by an adult for the duration of the course and must not be left unattended during class hours.
